

**PENINSULA HEALTH  
FRANKSTON HOSPITAL  
DEPARTMENT OF MEDICINE**

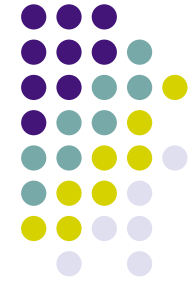

**BASIC PHYSICIAN TRAINING  
PROGRAM**

**2010**

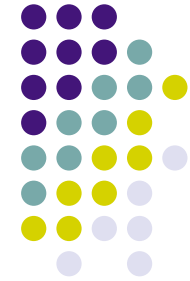

# Welcome to Peninsula Health

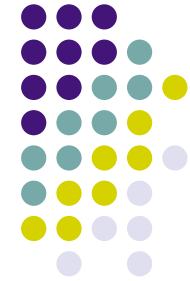

- This is a brief outline of Peninsula Health's Basic Physician Training Program.
- We take pride in our supportive, caring and educational environment.
- Peninsula Health implements the **RACP PREP** program.

# Bayside/Peninsula Consortium

- Peninsula Health is a member of the Bayside/Peninsula Consortium. Members include:
- Peninsula Health
  - Frankston Hospital
  - Rosebud Hospital
  - Golf Links Road Rehabilitation Hospital
- Alfred Health
  - The Alfred
  - Caulfield Hospital
  - Sandringham Hospital
- Calvary Health
  - Bethlehem Hospital
- Mildura Hospital
- Goulburn Valley Health (Shepparton)

# Peninsula Health

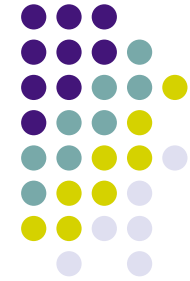

- Peninsula Health is made up of 4 major programmes – these are:
  - Acute Health
  - Psychiatry
  - Aged Care and Rehabilitation
  - Peninsula Health Community Health
- The Acute Health programme centres around Frankston Hospital, 390 beds, and Rosebud Hospital, 77 beds.
- Frankston Hospital comprises well developed Divisions of Medicine and Surgery, Paediatrics, Obstetrics and Gynaecology, Orthopaedics, General Practice, Psychiatry, Critical Care, Anaesthesia, Radiology and Pathology. There are multiple consultants in each Division and appropriately designated ward and diagnostic areas.

# Basic Physician Program

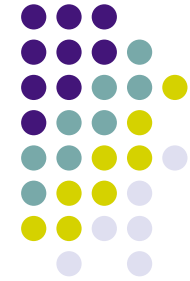

- Coordinated through the Department of Medicine at Frankston Hospital **9784 7250**.
- In addition to Peninsula Health's educational programs, as members of the Bayside-Peninsula Consortium, all BPT's have access to The Alfred's written and components of the clinical FRACP programs.
